NESPRESSO

Nespresso introduces the new Vertuo coffee brewing system using Centrifusion™ technology to create the ultimate brewing experience. Just insert a capsule and close the lever – when activated, the machine reads the barcode on the capsule then spins up to 7,000 rotations per minute, blending ground coffee with water and producing the perfect crema to enjoy quality coffee in a larger cup. The versatile machine delivers the optimum in-cup result in four cup sizes, the 414 ml full brew Alto, 230 ml Mug, Americano style 150 ml Gran Lungo, and 40 ml Espresso, all at the touch of a button.

THE FULL RANGE OF COFFEE STYLES

A range of 20 Nespresso Vertuo Grands Crus are available, each with unique aroma profiles in three different capsule sizes: large capsule for Alto and Mug, medium for Gran Lungo and small for Espresso.

This service is available on eligible items which are badged with the Fast Track logo online. The same day service is available 7 days a week with a choice of time slots and a standard delivery charge of £3.95. Subject to availability. Delivery times for this service are 7am - 10pm, 7 days a week.

If your Fast Track item is out of stock locally our approved 3rd party partner may be able to deliver from the next day if you order by 8pm. Delivery times for this service are 7.30am-9.00pm Monday to Saturday (exc Bank holidays). If no-one is in and a signature is not required then our drivers will look to leave your parcel in a safe place or with a neighbour and will leave a card to let you know where to pick it up from or how to re-arrange delivery if needed.

Larger Items

These items are delivered by our 2 man delivery service. Next Day delivery is available on selected items if you place your order before 8pm (subject to availability). We deliver 7 days a week (exc bank holidays) and you can choose a convenient time slot. Delivery is available from £6.95, and from FREE "Named Day Delivery" service on large kitchen appliances (including washing machines, tumble dryers, washer dryers, dish washers, fridge freezers, cookers and hobs). See online for more information.

In most cases you can choose a delivery date and time when you order online, in store or on the phone, otherwise we will call you to book a suitable time. Check your receipt or email for delivery information. On the evening before delivery - or occasionally on the morning of your delivery - we will text you your 2 hour delivery slot so you do not have to wait in all day. On your delivery date, drivers will phone ahead up to 1hr before they arrive unless it is an early morning delivery. Any large item deliveries marked 'home delivery only' will be delivered to your room of choice provided drivers do not feel there are any health and safety issues, such as a staircase that is too narrow, or there is danger of damage to your property. If your order is a combination of small and large items: These items will be despatched from different warehouses and will be on separate deliveries, but you only pay one delivery charge.

Supplier Deliveries

Some items are delivered direct from our suppliers and may arrive separately or have different lead times from our standard service. We will notify you if this is the case when you order.
